

## *Praise for Dreamer*

“DeLano has done it again. Her masterful blending of parallel worlds takes a complex idea of quantum physics and makes it easy to follow, while also creating a gripping sci-fi novel that will have readers on the edge of their seats. ... DeLano has spun a fun, genre-bending series that includes love, coming-of-age, and relatable protagonists who will resonate with teens.” — *School Library Journal*

“An entertaining and satisfying conclusion to the *Traveler* duology....The pace is brisk with a fine balance of action, mystery, and romance in short chapters that will hold the reader’s attention. —*VOYA (Voices of Youth Advocates)*
