## TRAVELER

A teen writer discovers that every mirror is a portal into an alternate version of her life in this romantic YA fantasy by author L.E. DeLano.

Jessa has spent her life dreaming of other worlds and writing down stories more interesting than her own, until the day her favorite character, Finn, suddenly shows up and invites her out for coffee. After the requisite nervous breakdown, Jessa learns that she and Finn are Travelers, born with the ability to slide through reflections and dreams into alternate realities. But it's not all teacakes, pirates and fantasy lifestyles...Jessa is dying over and over again, in every reality, and Finn is determined that this time, he's going to stop it... this Jessa is going to live.

### Praise for Traveler:

"Readers seeking an enjoyable romantic fantasy will find what they're looking for in this absorbing book. . . With each new Jessa, readers will become intrigued with a different character's story even as they root for the original Jessa to stay safe. Featuring skillful world-building and carefully plotted suspense, this novel will leave readers eagerly awaiting the sequel." – *School Library Journal*

"This is a stellar debut novel with something for everyone—action, mystery, romance, . . . Overall, this is an excellent, engaging read that will appeal to fans of many genres." – *School Library Connection*

"DeLano's debut novel is full of mystery, action, and romance. ... DeLano's portrayal of a young man affected by autism shows the author's sensitivity and knowledge and will be appreciated by those with relatives or friends diagnosed with the disorder. Fans of the 2010 film *Inception* will enjoy this novel." – *VOYA*

"Spicy, electric, and unputdownable. LOVED IT." – *SFinnamore, Swoon Reads Commenter*

L.E. DeLano is a blogger and autism advocate under her alternate moniker, Ellie DeLano. She comes equipped with a "useless" Theatre degree that has opened doors for her in numerous ways. Though mostly raised in New Mexico, she now calls Pennsylvania home. When she's not writing, which is almost never, she's binge-watching Netflix and trying her best not to be an unwitting pawn her cat's quest for world domination. *Traveler* is her debut novel.
